

Introduction

KHPT is a not-for-profit charitable entity that spearheads focused initiatives to improve the health and wellbeing of communities in India. In 2003, KHPT was founded with a mission to enhance the health and wellbeing of vulnerable communities and our journey started with the focus on reducing the prevalence of HIV in Karnataka, specifically among most at-risk populations. These interventions were evidence-driven, systematically planned, rigorously implemented, and monitored. We succeeded in scaling impact well beyond Karnataka and KHPT became a learning site for innovative approaches. We work primarily in the fields of Maternal, Neonatal & Child health (MNCH), Tuberculosis (TB), Adolescent Health (AH), and Comprehensive Primary Health Care (CPHC).

Karnataka Health Promotion Trust (KHPT) is working with GAIN on scaling up edible oil, Milk and Wheat flour fortification in eighteen states of India. With technical and financial support from GAIN, KHPT will operate a Technical Assistance Unit (TAU) to support these state governments. Further, work closely with industry stakeholders, in these states, to promote and strengthen fortification of edible oil, milk and wheat flour as per FSSAI standards and in alignment with the national agenda for fortification of staples. The proposed project is aimed at reducing Micronutrient deficiencies at a population wide scale in the select states of India.

KHPT is seeking application for the following position.
